## WHO THE MIGHTY LITE IS RIGHT FOR

### ■ First-Time Trailer Buyers

Upgrading from a borrowed steel trailer. Real aluminum quality without the full tandem price tag.

### ■ Homeowners & Small Properties

Mulch runs, firewood, debris hauling. Lawn equipment, small ATVs, side-by-sides under 1,500 lb.

### ■ Weekend & Recreational Haulers

ATV, dirt bike, golf cart, utility vehicle. Clean, light, easy to maneuver in tight spots.

### ■ Light Contractor Work

Tools, small equipment, landscaping materials where a 7,000 lb trailer is overkill and overhead.

## WARRANTY

### 3-Year Limited Warranty

Every Silver Ox Mighty Lite is covered by our 3-Year Limited Warranty on frame and structural welds. The Mighty Lite is price-point focused by design — not by build quality. Michigan-backed.

## UPGRADE PATH — WHEN YOU NEED MORE

### Need wood sidewalls?

Step up to the Silver Ox Woody — 18" treated wood sides, 5x10 to 7x16, from \$2,995.

### Need more payload?

Silver Ox Utility Single Axle — 3,500 lb axle, \$2,595. Tandem available.

### Need to haul a full-size vehicle?

Silver Ox Boss 7K or Taurus 10K — up to 10,000 lb GVWR car & toy haulers.

### Need tandem axle?

The Mighty Lite is single-axle only. See the Utility or Woody lines for tandem options.
